

STRATA INSURANCE SIMPLY FOR BROKERS

Strata Select is unique in that it is designed to accommodate risks that are commercial, residential, retail or any mixture of each.

Whilst having the flexibility to accommodate mixed use risks Strata Select is ideally placed to service the traditional residential and commercial strata market.

Strata Select contains 8 sections in all. These include Property (inc catastrophe cover and lot owners fixtures & improvements), Liability, Fidelity, Voluntary Workers, Office Bearers, Machinery Breakdown, Legal Expenses, and Audit Expenses.

The only section which must be taken out is the Property section. All other sections are optional allowing you to tailor an individual solution for your client and for the client to pay only for the covers they require.

CAPACITY / TARGET MARKET

Residential risks

- Maximum property section capacity — \$35m
- Target market - Building(s) sums insured up to \$13.5m

COMMERCIAL & MIX USE RISKS

- Maximum property section capacity — \$35m
- Target market—Building(s) sum insured up to \$10m
- We do not write high hazard tenant occupations (including wood workers and wok cooking risks).

ABOUT US

QUS Pty Ltd is a general insurance underwriting agency committed to developing property owners insurance products for distribution solely through AFS licensed insurance brokers.

We aim to build and continually grow strong partnerships with brokers by offering:

- Outstanding customer service
- APRA licensed security
- Commitment to broker distribution
- Fast quote response
- Exceptional claims service
- Competitive pricing
- 20% commission

QUS will not deal directly with body corporate entities nor will we appoint Strata / Body Corporate Managers as Authorised Representatives.
