Applicable to Buildings insured by the Policy lost or damaged as a result of an Incident covered under Section 1 of the Policy.

The Policy extends to include the extra cost of reinstatement including demolition or dismantling necessarily incurred to comply with the requirements of any Act of Parliament or Regulation or any By-Law or Regulation of any Municipal or other Statutory Authority, subject to the following provisions and subject also to the terms, conditions, limit(s) or sub limit(s) and exclusions of the Policy:

- > the work of reinstatement (which may be carried out wholly or partially upon another site if any of the above mentioned Act, By-Law or Regulation of any Municipal or other Statutory Authority so requires, subject to Our liability not being thereby increased) must be commenced and carried out within 12 months, failing which We will not be liable to make any payment beyond the amount which would have been payable under the Policy if this provision has not been incorporated herein;
- > the amount recoverable will not include the additional cost incurred in complying with any such Act, Regulation, By-Law or requirement with which You were required to comply with prior to the damage happening;

Section 1 - Property Insured cont'd

- > if the cost of reinstatement of the damage claimable under the Policy is less than fifty per cent (50%) of what would have been the cost of reinstatement of the Property Insured had such property been totally destroyed, the amount recoverable will be limited to the extra cost necessarily incurred in reinstating only that portion damaged excluding extra costs in relation to any portion of Your Building not damaged. In any event the loss will not exceed the amount We would have been called upon to pay if Your Building had been wholly destroyed;

If any Building(s) is damaged as the result of an Incident covered under Section 1 of the Policy, so as to constitute total loss or constructive total loss and, where the exercise of statutory powers and/or authority by any Government Departments, Local Government or any other Statutory Authorities only permits reinstatement subject to a reduced floor space ratio index, We will pay the difference between:

- > the actual cost of reinstatement incurred in accordance with the reduced floor space ratio index; and
- > the cost of reinstatement which would have been incurred had a reduced floor space ratio index not been applicable.

In arriving at the amount payable under this Special Benefit, any payments made by Us will include the extra cost of reinstatement, including demolition or dismantling of the Property Insured, necessarily incurred to comply with the requirements of any Act of Parliament or Regulation of any Municipal or other Statutory Authority.

Any payments made for the differences between the actual cost of reinstatement and the costs of reinstatement that would have been incurred, will be made as soon as the difference is ascertained upon completion of the rebuilding works and certified by the architect acting on Your behalf in the reinstatement of the Building(s).

6. Basis of Settlement

6.1 Reinstatement or Replacement

The basis upon which the amount payable to You is calculated will be the cost of Reinstatement of the Property Insured damaged at the time of its Reinstatement, subject to the following provisions and subject also to the terms, conditions and limit(s) or sub-limit(s) of liability of the Policy:

- > the work of rebuilding, or replacing, or repairing, or restoring or reinstating, as the case may be (which may be carried out at another site and in any manner

Section 1 - Property Insured cont'd

suitable to Your requirements, but subject to Our liability not being increased), must be commenced and carried out within a reasonable time, failing which We will not be liable to make any payment beyond the amount of the Indemnity Value of the Property Insured at the time it was lost or damaged;

- > when Property Insured is damaged in part only, Our liability will not exceed the sum representing the cost which We could have been called upon to pay for Reinstatement if such property had been wholly damaged;
- > no payment beyond the amount which would have been payable under the Policy if this clause had not been incorporated therein will be made until a sum equal to the cost of Reinstatement shall have been actually incurred;
- > with Our prior consent and where it is lawful, You are not bound to actually rebuild any Building destroyed, but may purchase an alternative existing building to replace the destroyed Building. Such replacement will be deemed to constitute "Reinstatement" for the purpose of this insurance, but We will not under any circumstances be liable to make any payment beyond the actual cost of rebuilding the Building destroyed;
- > We will not be liable for the cost of Reinstatement of any illegal installations.

6.2 Redevelopment Property

On Redevelopment Property, the cost of repair or Reinstatement or replacement is subject to an allowance for wear and tear, depreciation and betterment subject to Exclusion 6.9. If the property is not repaired or reinstated, settlement will be restricted to the cost of demolition and/or removal of debris.

6.3 Replacement by Similar Property

In those cases where the architectural features and structural materials of the Building(s) insured possess a particularly ornamental, antiquarian or historical character, or the materials are not readily available, in calculating the cost which would have been incurred in Reinstatement if the whole of the property had been destroyed as referred to in the Basis of Settlement Clause, the basis to be adopted is the cost of a similar type of building of current design and materials and of reasonably equivalent utility and capacity, and it is further noted that the Sum Insured under the Policy has been based accordingly.

6.4 Reinstatement of Cover

In the event of loss or damage following an Incident covered under Section 1 of the Policy, the amount by

which the Sum Insured or Limits of Liability is reduced as a consequence of the loss or damage will be automatically re-instated as from the date of loss provided that:

- > there is no written request from You or written notice by Us to the contrary;
- > this section is an operative Section of the Policy;
- > the claim has been notified to Us;
- > You pay the premium We require for the reinstatement; and/or
- > the loss or damage is not a total loss, whether actual or constructive.

6.5 Undamaged Foundations

If foundations are not destroyed following loss or damage as the result of an Incident covered under Section 1 of the Policy and any Government or Statutory Authority requires reinstatement of the Building to be carried out on another site, the abandoned foundations will be considered as destroyed. If the resale value of the original building site is increased due to the presence of the abandoned foundations, the increase in resale value will be paid to Us at the time of sale.

6.6 Undamaged Portion any Building

If any Building or portion of a Building is not destroyed or totally destroyed following loss or damage as the result of an Incident covered under Section 1 of the Policy and any Government or Statutory Authority requires reinstatement of the Building to be carried out on another site, the abandoned undamaged portion of the Building will be considered as destroyed. If the resale value of the original building site is increased due to the presence of the abandoned undamaged portion of the Building, the increase in resale value will be paid to Us at the time of sale.
